

Arkansas Society Respiratory Care  
Scholarship Award

### **Eligibility**

- Any full time or part time student enrolled and actively pursuing a national credential from an accredited Respiratory Care program in the state of Arkansas. Students can apply directly or nominate another student for this award.

### **Criteria**

- Member of the AARC/ASRC.
- Submit an essay demonstrating dedication and commitment to the health profession of Respiratory Care.
- Letter of recommendations from a full time or part time Respiratory Care program instructor/educator.
- Candidates will also be evaluated on their GPA, community service and other significant achievements.
- Scholarship nomination form and essay must be completed and submitted by August 1<sup>st</sup>.

### **Scholarship Awards**

- Cost of tuition up to \$1,000.
- A total of 2 scholarship awards may be given out each year.

### **Student Scholarship Awards Selection**

All submitted applications will be presented to a five-member committee in anonymous fashion. Identifying information will be removed. The committee will select the two award recipients.
