Webinar Guidelines

- 1) Use this link to pre-registrar for the webinar: You will need your AARC number if you have one.
https://np-edu.zoom.us/webinar/register/WN_BOTR0wzWSZyIS1tsbY1aVg
- 2) The only charge for this activity is that all participants support the AARC and ASRC! There are benefits of membership!
- 3) On May 19, sign-in promptly, stay signed in and interact as requested to receive the maximum CRCEs.
- 4) Each attendee, that is requesting CRCE, needs to log in separately on a device. Attendees can log in with a phone or computer. Several attendees can view a monitor, however, only the registered attendees will receive CRCE provided attendance can be documented.
- 5) Attendance is taken continuously. In addition, attendees will be asked polling questions during the webinar. Attendees not answering the polling questions or not present will not receive CRCE for that presentation.
- 6) Attendees joining the webinar will be muted. Questions and comments will be allowed with the 'chat' feature.
- 7) This conference is approved for up to 6 CRCE units through the AARC, partial credit will also be provided.
- 8) All attendees are required to complete presentation evaluations during the webinar.
- 9) The webinar organizer is Dr. Chuck Burke PhD, RRT, RRT-NPS., ASRC South District Chair, Assistant Professor, National Park College, Office: 501-760-4348, chuck.burke@np.edu.

Copy and distribute this as needed.
